

MAN WITH YOUR PLAN

Perfect planning that puts pitches in pole position

**STRUGGLING TO FIND TIME TO START THAT NEW BUSINESS BRIEF?
DAYS EBBING AWAY WITH LITTLE PROGRESS BEING MADE?
PITCHES NEED A DAY ONE BOOST?**

**If you need a pitch planning pick-me-up,
Man With Your Plan has got your back!**

The first 24-48 hours is the most vital period in the life cycle of any new business pitch. Get it right by planning well and your chances of winning the pitch increase immeasurably. Get it wrong by failing to plan and your odds drop dramatically.

As a proven pitch winner and established new business trainer,
I'll relieve the pitch planning pressure for you by...

- Breaking the brief in full
- Assessing the relationship between the scale of the challenge and the time given to ensure you cast the pitch team and schedule tasks appropriately
 - Suggesting a host of telling questions to help you maximise the Q&A
- Making recommendations on what it takes to win, the key areas you need to focus on & research and how to stand out from your competitors, engage the client, present the agency & team and get the most from the pitch process
- Supplying all thinking in an easy-to-work-with PowerPoint document that sets you up for success

Man With Your Plan is charged at a reduced rate of £400 per day.
(projects completed from home)
